

Auctus Plus International Patient Growth Proposal

International Patient Growth Infrastructure for Healthcare Providers

Offer 1: International Patient Readiness Audit - GEL 199 one-time.

Detailed 100-point assessment and 30/60/90-day roadmap.

Offer 2: International Patient Growth System.

Setup from GEL 1,500. Management from GEL 1,750/month.

For one clinic, one primary service line, up to two languages and one active funnel.

Offer 3: Advanced International Growth Infrastructure.

Setup from GEL 3,000. Management from GEL 3,500/month.

For multiple markets, languages, locations, funnels or service lines.

Commercial notes: prices are VAT-exclusive, advertising spend is separate, final scope is confirmed in the signed order form, and Auctus Plus does not guarantee patients, bookings, revenue or outcomes.

Auctus Plus provides clinic growth, communication, lead handling, appointment support, automation and reporting systems. Clinical decisions remain with the clinic and licensed professionals.
